BOISE CITY PROP

BOISE CITY BALLOT PROPOSITIONS

PROPOSITION 1

AN INITIATIVE REQUIRING VOTER APPROVAL OF THE COST, FINANCING, LOCATION, DESIGN, AND SIZE OF CERTAIN BOISE CITY LIBRARY FACILITY PROJECTS.

An initiative relating to Boise City development of library facilities by: prohibiting Boise City from appropriating or spending funds, or incurring debt for any aspect of a city library facility reasonably expected to exceed $25,000,000.00 in total without prior voter approval of the qualified electors; requiring that Boise City provide in such election notice the "plan and design," which shall include the cost, financing method, location, design, and size of the proposed Boise library facility; providing that approval of a proposed library facility occurs by a majority vote in favor of the project at an election held on an official election date; defining the term "expenses" as actual monetary payments, in kind assistance, the value of employee time, the value of land exchanges, direct or indirect payments to third parties and any other consideration which in any way promotes or enhances the development of a Boise library facility; defining the term "major library project" as any library project reasonably expected to exceed $25,000,000.00 in total costs and/or expenses; and defining the term "plan and design" as a proposal that includes any element of the cost, financing method, location, design, and size of a Boise City library facility.

WHAT YOUR VOTE WILL DO

A **YES** vote means the City of Boise could not undertake any aspect of a library project with expected costs of $25,000,000.00 or more without first obtaining approval by a majority of Boise voters in a future election.

A **NO** vote means current law would not change. The City of Boise could undertake any aspect of a library project without first obtaining voter approval.

- ☐ YES
- ☐ NO

PROPOSITION 2

AN INITIATIVE REQUIRING VOTER APPROVAL OF THE COST, FINANCING METHOD, LOCATION, DESIGN, AND SIZE OF CERTAIN SPORT STADIUM FACILITY PROJECTS.

An initiative relating to development of sport stadium facilities in Boise by: prohibiting Boise City from appropriating or spending funds, or incurring debt for any aspect of a stadium facility reasonably expected to exceed $5,000,000.00 in total of public and/or private expenditure without prior voter approval of the qualified electors; requiring that Boise City provide in such election notice the "plan and design," which shall include the cost, financing method, location, design, and size of the proposed stadium facility; providing that approval of a proposed stadium facility occurs by a majority vote in favor of the project at an official election; defining the term "expenses" as monetary payments, in kind assistance, the value of employee time, the value of land exchanges, direct or indirect payments to third parties and any other consideration which promotes or enhances the development of a stadium facility; defining the term "major sport stadium facility project" as any sport stadium facility project reasonably expected to exceed $5,000,000.00 in total public and/or private costs and/or expenses; and defining the term "plan and design" as a proposal that includes any element of the cost, financing method, location, design, and size of a sport stadium facility.

WHAT YOUR VOTE WILL DO

A **YES** vote means the City of Boise could not participate in any aspect of a sport stadium facility project with expected costs of $5,000,000.00 or more in public and/or private funding without first obtaining approval by a majority of Boise voters in a future election.

A **NO** vote means current law would not change. The City of Boise could participate in any aspect of a sport stadium facility project without first obtaining voter approval.

STAR FIRE DISTRICT BOND

OFFICIAL BOND BALLOT

STAR FIRE PROTECTION DISTRICT BOND

Shall the Star Fire Protection District, Ada and Canyon Counties, Idaho, be authorized to incur an indebtedness and issue and sell its general obligation bonds, in one or more series of bonds, in an aggregate principal amount for all such bonds of not more than $4,000,000, or so much thereof as may be necessary, for the purpose of providing funds with which to acquire, renovate and equip fire safety facilities, with each of said series of bonds to be payable annually or at such lesser intervals as determined by future resolutions or ordinances of the District, and to mature serially with the final installment to fall due within thirty (30) years from the date of each of said series of bonds, and to bear interest at a rate or rates to be determined by future resolutions or ordinances of the District, all as provided in the ordinance of the District adopted on August 28, 2019?

The following information is required by Section 34 - 439, Idaho Code:

The interest rate anticipated on the proposed bonds based on current market rates is 3.03% per annum. The total amount to be repaid over the life of the proposed bonds, principal and interest, based on the anticipated interest rate is estimated to be $5,861,231, consisting of $4,000,000 in principal and $1,861,231 in interest. The estimated average annual cost of the proposed bonds based on current market conditions is a tax of $11.42 per $100,000 of taxable assessed value, per year. The total existing indebtedness of the District, including interest accrued as of November 5, 2019, is $0.00.
