

ADA COUNTY ASSESSOR GIS DATA

DISCLAIMER

The Ada County Assessor's Office compiles property data from official records to maintain and publish current and accurate parcel information. Due to the dynamic nature of the parcel data, it is continually being updated as documents are recorded; therefore, recent changes may not be depicted in the data on this CD.

The Assessor parcel maps are created for assessment purposes only. The user acknowledges and accepts all inherent limitations of the map. There are no warranties, expressed or implied, for the data and its use or its interpretation. The parcel map does NOT represent a professional survey and is intended only as a geographical representation.

If you require more detailed or updated information, please refer to the recorded documents concerning the property or properties in question, or call our office at (208) 287-7262.

Please note that all parcel characteristics, including assessed values are subject to change at any time.

TERMS OF USE

Ada County GIS data is for your personal and business use. In accordance with Idaho Code 31-875, this data may not be resold or further redistributed.

In addition, please be aware that you cannot use any Assessor data to create a mailing list in violation of Idaho's Public Records Act, particularly Idaho Code 9-348.
