Dear Mr. Navarro:

This letter will confirm our telephone conversation this morning. In accordance with Duties of a Political Treasurer (8), page 8 of the Instruction Manual, I am notifying you that I have received two contributions of \$1,000 or more. The Geddes for Ada County Commissioner Committee received \$1,000 from the I.B.E.W. Educational Committee on April 15, 1996, and \$1,500 from the I.B.E.W Educational Committee on May 20, 1996.

I apologize for the over sight in reporting the first contribution. I appreciate your understanding.

Sincerely,

Howard I. Manweiler
