

Completing Form D 1-2: Petition for Divorce
[With Minor Child/ren]
IN THE FOURTH JUDICIAL DISTRICT

Talk to an Attorney, if Possible.

WARNING: These instructions are not a substitute for legal advice. The laws and court rules are complex and following these instructions will not guarantee you a favorable result. We always recommend you talk to a lawyer about your problem before filing your paperwork. If you cannot afford to hire an attorney to represent you, you may be able to pay a lawyer to give you advice and review your paperwork for a lesser cost. Contact the Idaho State Bar Lawyer Referral Service (208-334-4500) for the name of an attorney in your area who will provide an initial half-hour consultation for \$35. Contact the Court Assistance Office for information about resources for low-income people.

You will be signing a sworn statement that you have read the Petition, know what it says, and believe it's true. To guarantee the truthfulness of that statement, be sure to read the entire completed form.

Instructions

Fill in the forms by typing or by printing neatly and legibly in **black ink**. Always keep a copy of the completed form for your records.

At the top left-hand corner of page 1 you will fill in your full legal name, mailing address and telephone numbers followed by "Father" or "Mother".

The Court Heading. Fill in the county and judicial district in capital letters (for example, "In The District Court Of The FOURTH Judicial District, In And For The County Of ADA").

The Caption. Fill in Your Full Legal Name on the line above Petitioner and Your Spouse's Full Legal Name on the line above Respondent.

The Case No. The case number will be assigned by court personnel when you file the Petition. You should write in the case number on all other documents.

The **Court Heading, Caption and Case Number** will be the same on all other documents you prepare for this case.

1. Residence of the Parties.

You must have lived in Idaho for at least six weeks. Fill in the state where your spouse lives.

2. Marriage of Parties.

Fill in the city and state (or country if you were married outside the USA) and the month, day and year of your marriage.

3. Grounds for Divorce.

This paragraph states the reason for the divorce is irreconcilable differences. If you want to state other grounds for the divorce, you should talk to an attorney.

4. Minor Child/ren of the Parties.

Fill in the name and date of birth for each minor child and the city and state where each child has lived for the last five years. **WARNING:** If any of your children have not resided in Idaho for at least six uninterrupted months before the filing of the Petition (or for their entire lives if they are less than six months of age), the Idaho court may lack authority ("jurisdiction") to determine custody of that child. In

that event you should talk to an attorney to determine if there may be other grounds for jurisdiction under Idaho's laws.

- Check the first box if Wife is NOT now pregnant **or**
- Check the second box if Wife IS now pregnant with Husband's child **and**
 - Fill in the expected date of birth for the child. (*A Modification will need to be filed after the birth of the child to establish custody and child support.*)

5. UCCJEA Jurisdiction.

You are required to let the know if there have been any other cases involving your child/ren in any other court or if there are any other people claiming custody or visitation rights with the child/ren. **In paragraphs 5a, b, c and d**, check the appropriate box and fill in all requested information.

6. Legal Custody.

"*Joint legal custody*" means the parents are required to share the decision-making rights, responsibilities and authority relating to the health, education and general welfare of the child/ren. The court will award joint legal custody unless you can prove it would not be in the best interest of the minor child/ren for the other parent to share decision-making rights.

- Check the first box if both parents are fit persons to share decision-making rights, responsibilities and authority relating to the health, education and general welfare of the child/ren, **or**
- Check the second box if you are declaring that one parent should have sole legal custody of the child/ren, **and**
 - Write in the name of the parent who should be awarded sole legal custody **and**
 - State why the other parent should NOT be allowed to share decision-making.

7. Physical Custody.

"*Joint physical custody*" means each parent has significant periods of time in which a child resides with or is under his/her care and supervision. Joint physical custody assures the child/ren frequent and continuing contact with both parents but does not necessarily mean the child spends exactly the same amount of time with each parent. The court will award joint physical custody unless you can prove it would not be in the best interest of the minor child/ren.

- Check the first box if both parents should be given physical custody of the child/ren **and**
 - Complete the **Parenting Plan**. (Both parents may sign the Parenting Plan, but it is not required.) Write **Exhibit A** on the bottom of the first page of the Parenting Plan and attach (staple) it to the Petition. **IMPORTANT: A copy of the Parenting Plan must be attached to make it a part of the Petition.** (The original copy of the Parenting Plan will be attached (stapled) to the Decree of Divorce.) **or**
- Check the second box if you are asking the court to award sole physical custody of the child/ren to only one parent **and**
- Write in the name of the parent who should be awarded sole physical custody **and**
- State why the other parent should NOT be given periods of time when the child/ren resides with or is under his/her care and supervision.
 - If you want the court's order to give the other parent restricted or conditional time with the child/ren, write in the parent's name **and** write in the terms and conditions of the other parent's time with the child/ren.

8. Child Support.

If there is already an order signed by a judge, for example in a case filed by the Department of Health &

Welfare, that sets the correct amount of child support, check the first box.

- Make a copy of that Order, mark it as **Exhibit B** and attach (staple) it to this Petition. **WARNING:** You should be aware that jurisdiction as to child support is a complicated issue and you should seek the advice of an attorney with respect to continuing jurisdiction and venue if the child support order was issued in a different county than the one where you will be filing the Divorce. **or**

If there is NOT a child support order, check the second box.

You will first need to complete an Affidavit Verifying Income and a Child Support Worksheet. A Court Assistance Officer will be able to help you generate these documents if you provide the required information. The Child Support Worksheet will be used to complete this section.

- Write in the name of the parent who will pay child support and the total monthly amount (the base amount of support plus or minus any adjustments). Adjustments may include a pro rata sharing of work-related childcare, medical, dental, and/or optical insurance premiums, and/or tax benefits. **Note:** Section 8 of the Idaho Child Support Guidelines addresses these adjustments.
 - Fill in the Base Amount of child support.
 - Check the appropriate boxes and fill in the amount of any adjustments.
- If you have more than one minor child, check the box. You will need to have a separate calculation to reflect the changed amount of support as each child is no longer eligible for support under Idaho law. Fill in the total amount of child support, as calculated according to the Idaho Child Support Guidelines.
- Attach your Affidavit Verifying Income and Support Worksheet(s) to the Petition, marking each as **Exhibit B**.

Extended Visits. If the child/ren lives in the home of one parent at least 75% of the time, you can adopt either or both of the next two paragraphs of the form. If the child/ren spends more than 25% of the overnights in a year with each parent (shared physical custody), put N/A in the boxes. **Note:** Section (J) (5) of the Idaho Child Support Guidelines, Rule 126 of the Idaho Rules of Family Law Procedure, describe “Shared Physical Custody” and computation of child support with that parenting arrangement. You can get a copy of the Child Support Guidelines from a Court Assistance Office or the Internet at <http://www.isc.idaho.gov/irflp>

- If you selected the first paragraph, indicate how much the support payment will be reduced by either checking the box for 50% or filling in your own percentage.
- If you have more than one child, check the box to select the next paragraph.

WARNING: If you are the parent paying child support (the “obligor”) you should be aware the Order will provide for collection of child support from your wages and from your real estate or personal property. The Order will also provide that if you move to another state, the child support can be enforced directly by courts in other states. Additionally, you should be aware that, according to Idaho law, if unpaid child support equals or exceeds the total support owing for ninety (90) days or the sum of \$2,000, whichever is less, you are subject to suspension of any license to practice or engage in any business, occupation or profession, operate a motor vehicle, carry a concealed weapon, or engage in any recreational activity, including hunting or fishing. Further, the State Tax Commission will withhold and set-off any state tax refund to collect any unpaid child support, or unpaid spousal support, and the Idaho State Lottery will likewise withhold and set-off a prize of a lottery prize-winner.

Medical Insurance.

Check the first, second or third box to indicate how health insurance coverage for the child/ren is now

being provided. If you selected the first paragraph, write in the name of the parent(s) currently providing health insurance.

In the fourth paragraph write in the percentage to be paid by each parent, based on each of your Guidelines income percentage. (These percentages are determined when calculating the child support. Refer to the Child Support Worksheet).

WARNING: The Order will provide: Failure to provide medical insurance coverage may result in the direct enforcement of a medical support order by either the obligee (party or parent other than the parent ordered to carry or provide a health benefit plan for the parties' minor child/ren) or the Department of Health and Welfare. A national medical support notice will be sent to your employer, requiring your employer to enroll the child in a health benefit plan as provided by Sections 32-1214A through 32-1214J, Idaho Code, and applicable rules of the department.

Health Care Costs Not Paid by Insurance.

Write in the percentage to be paid by each parent, based on their Guidelines income.

Work-Related Child Care Costs.

Check the box. If you did not figure these expenses in your child support calculation:

- Fill in the percentages each parent will pay.
- Check the box if both parents will pay the care provider directly.

Income Tax Exemption.

Write in the blank the parent who will claim each child as a dependent on their income tax return(s). **Note:** *The child support calculation must reflect the same designation.*

9. Wife's Child/ren of Another Relationship.

Complete this paragraph only if any child/ren born or conceived during the marriage was not fathered by the Husband.

Paragraphs 10, 11, and 12

WARNING: The rules of separate property (owned by only one of you) and community property (owned by both of you) can be extremely complex and technical. The following general principles may not apply to your situation. For example, some separate property may have been improved with community funds (or vice versa). Also, interest or other income from separate property is considered to be community property. If you have a lot of property or have any questions about whether it is separate or community property, please talk to an attorney.

Separate property is property either of you owned before the marriage or received during the marriage by gift or inheritance or in exchange for other separate property.

Community property is property acquired by one or both of you during the marriage unless the property was given to either of you separately as a gift, inheritance or in exchange for other separate property.

Real property or real estate is land with or without buildings. If the property you list is real estate, include legal descriptions from the deeds to the property. It is important that your description be exactly the same as that in the deed. If the legal description is lengthy, you may want to photocopy the deed, cut out the legal description and paste it on a separate sheet of paper to use as an exhibit. Attach the exhibit to the Petition and refer to the exhibit in the Petition.

Personal property is all property that is not real estate. Personal property includes furniture, clothing, vehicles, cash, bank accounts, securities and debts owed to you. It also includes retirement accounts; but, if either of you have retirement accounts you definitely should talk to an attorney before proceeding.

10. Separate Property.

- If you do not want any order about ownership of separate property, check the first box.
- If you want the court to order that specific separate property belongs to the Husband and/or an order that Husband's separate property, now in the possession of the Wife, be returned to the Husband, check the second box and describe the property in the first section of **Exhibit C**.
- If you want the court to order that specific separate property belongs to the Wife and/or an order that Wife's separate property, now in the possession of Husband, be returned to the Wife, check the third box and describe the property in the first section of **Exhibit D**.

11. Community Real Property.

- If you have not acquired community real property during the marriage, check the first box.
- If you have acquired community real property during the marriage, check the second box **and**
 - Fill in the residential address of the property (house number and street name),
 - The name of the city and county, and
 - The legal description for the property (use the legal description in the deed).

Disposition of Real Property. A "**lien**" is a legal right or interest that a creditor has in another's property (for example the mortgage loan). The mortgage loan and any other lien against the property should be listed in the Debt Section of the Petition. We recommend you discuss your mortgage loan or any other lien on your property with your lending institution or lien holder and talk to an attorney before proceeding. As long as both of your names are on the loan, you will both continue to be responsible for payment until the loan is paid in full. If the payment isn't paid by the one assigned to make it, the creditor may collect from either of you. Also, if the property is foreclosed, both of you could be held responsible for any deficiency in paying off the loan after foreclosure sale. "**Equity**" is the difference between the value of the property and all encumbrances (liens) upon the property.

- Check one of the first three boxes to indicate what will be done with the community real property and any equity, and fill in the blanks **or**
- Check the fourth box and write in your own words what will be done with the property and any equity in the property.

Note: If the amount of the equity payment is large and will be spread out into periodic payments, you should talk to an attorney about the right way to insure the payments are made.

12. Community Personal Property.

- If you have not acquired any community personal property, check the first box **or**
- If you have already divided your community personal property and each of you has the property in your possession, check the second box **and/or**
- If you want the court to order that specific property be given to the Husband and the property is already in Husband's possession, check the third box and list the property in the second section on **Exhibit C** (Husband's Property) **and/or**
- If you want the court to order that specific property be given to the Wife and the property is already in Wife's possession, check the fourth box and list the property in the second section on **Exhibit D** (Wife's Property).
- If there is property that the Husband should have given to him which is still in the possession of the Wife, check the third box **and** list the property in the third section on **Exhibit C** (Husband's Property).
- If there is property that the Wife should have given to her which is still in the possession of the Husband, check the fourth box **and** list the property in the third section on **Exhibit D** (Wife's Property).

Note: The Decree of Divorce can be used to transfer titles or deeds; but only if the description of the

property is first listed in the Petition and is complete and accurate (example: for vehicles, include all identifying information on the title; for real property, include a legal description of the property from the deed and not just the residential address of the property).

Paragraphs 10, 11, and 12 Reminder:

If you have listed any property on **Exhibit C** or **Exhibit D**, the Exhibits must be attached (stapled) to every copy of the Petition. Initial and date the Exhibits on the lines at the bottom. Make an extra copy of the Exhibits to attach to the Decree of Divorce.

13. Debts.

Generally, separate debts are debts incurred by either of you prior to marriage, or during marriage if incurred to improve or maintain separate property (see the description of community and separate property above). Community debts are all other debts incurred during marriage.

- If you do not know of any unpaid debts, check the first box **or**
- If there are debts the Husband should be ordered to pay, check the second box and list each creditor.
- If there are debts the Wife should be ordered to pay, check the third box and list each creditor.

Note: If both of you are going to pay a part of the same debt, also put in the amount each of you should be ordered to pay.

Note: A divorce is between you and your spouse. Your debts are between you and your creditors and, if a bill doesn't get paid, the creditor may be able to collect from either of you, especially if both of your names are on a loan contract. However, if the debt is listed in the divorce papers and either of you is assigned and ordered to pay a debt and does not make payment, the other party may have some remedy before the court; however, if the bill doesn't get paid, the creditor may be able to collect from either of you.

14. Debts Incurred Since Separation.

If you want the judge to order that each party will pay any debt incurred by them after the separation date, check the box and fill in the date you stopped living together.

15. Name Change.

Check the box if either party wants to stop using the last name of the spouse and go back to using their former last name (any name legally used). Fill in the current name of the person wanting the name change and fill in the former last name. (Accurate spelling is very important.)

Signature: Leave the spaces for the State and County blank. Go to an office where there's a Notary. Have the notary fill in the spaces. Sign the Petition in front of the Notary and have your signature notarized.

Make two more copies of the Petition with Exhibits attached.

Continue referring to CAO D Instruction 3, "Filing for Divorce," for complete instructions to file your Petition.

Box 70008, Boise, ID 83707-0108.**

Notice

The court is required to order income withholding in all child support orders. Income withholding is enforced by a withholding order issued to the paying parent's employer without additional notice to the paying parent, according to Idaho Code Section 32-1204. The support order can also be enforced by license suspension or the filing of a lien upon all real and personal property of the paying parent.

a. Multiple Children. (if applicable)

We have more than one minor child. If this child support order has not been modified, when one child is no longer entitled to support, basic child support for the remaining child/ren should continue in the amount of \$_____ per month; when two children are no longer entitled to support, basic child support for the remaining child/ren should continue in the amount of \$_____ per month;

when three children are no longer entitled to support, basic child support for the remaining child should continue in the amount of \$_____ per month.

b. Extended Visits. (if applicable)

Our child/ren live/s in the home of one parent at least 75% of the time. (If selected, check the boxes below that apply. Otherwise, go to the next section.)

When the parent paying child support has physical custody of the child/ren for 14 or more overnights in a row, the amount of basic child support should be reduced for that period of time. However, visitation of two overnights or less with the other parent should not eliminate the reduction of basic child support during extended visits. The child support reduction for the period of the actual physical custody should be 50% or (Other percentage) _____% of the basic child support obligation. The reduction should be subtracted from the child support payment due the month following the extended visit.

If the parent paying child support has physical custody of some but not all of the children for a period of 14 overnights in a row, before a reduction is made, the basic child support obligation should first be divided by the number of children under 18 years of age. The parent who pays child support can only claim a reduction for the child/ren in that parent's custody.

For Example—Parent has 3 of 4 children for 14 overnights. \$300/mo. basic support payment divided by 4 children = \$75 per child per month divided by 30 = \$2.50 per day per child x 14 = \$35.00 x 3 for 3 children = \$105.00. Reduction = 50% of \$105 or \$52.50.

c. Work-Related Childcare Expenses. (Basic child support does not include work-related childcare.)

Basic child support does not include work-related childcare. The actual net out-of-pocket costs for work-related child care should be paid _____% by Father and _____% by Mother. Payment should be made directly to the child care provider by both parents according to arrangements made with the care provider if permitted by the care provider. Otherwise, if one parent pays the child care provider any portion of the other parent's share of costs, the non-paying parent should reimburse the paying parent within 10 days after the paying parent provides a copy of the invoice and proof of payment.

d. Medical, Dental, and/or Optical Insurance.

(name) _____ is/are currently providing health insurance for the minor child/ren and should continue to do so, so long as it is reasonably

available through that parent's employment. If such insurance becomes unavailable to the parent currently providing insurance, the parent first reasonably able to obtain group health insurance through employment should do so. **or**

- Neither parent is currently providing health insurance for the child/ren. The parent first reasonably able to obtain group health insurance through employment should do so. Any future health insurance premiums for the child/ren should be prorated between the parents.
- The child/ren participate/s in the Children's Health Insurance Program (CHIP) of Medicaid. The parent first reasonably able to obtain group health insurance through employment should do so.

Where medical insurance is provided, each parent should be ordered to provide the other with all medical insurance information necessary to obtain health care and process insurance claims for the child/ren. Insurance proceeds should be applied first to unpaid medical bills and then to reimburse the paying parent for any prepaid medical costs. Both parents should be ordered to sign any needed document that provides continuing health care for the child/ren.

Failure to provide medical insurance coverage may result in the direct enforcement of a medical support order by either the obligee (party or parent other than the parent ordered to carry or provide a health benefit plan for the parties' minor child/ren) or the Department of Health and Welfare. A national medical support notice will be sent to your employer, requiring your employer to enroll the child in a health benefit plan as provided by Sections 32-1214A through 32-1214J, Idaho Code, and applicable rules of the department.

- e. Health Care Costs.** The actual cost paid by either parent for health care expenses for the child/ren not paid in full by insurance, including, but not limited to, insurance premiums, orthodontic, optical and dental, should be prorated between the parents. Father should pay _____ % and Mother should pay _____ %. Any health care for the child/ren (whether for psychiatric, psychological, special education, addiction treatment, or counseling in any form, and including regular medical or dental care), whether or not covered by insurance, that would result in an actual out-of-pocket expense of over \$500 to the parent who did not incur or consent to the expense, must be approved in advance, in writing, by both parents or by prior court order. **(Note:** The court may consider whether consent for out-of-pocket expenses in excess of \$500 was unreasonably requested or withheld and order payment of the incurred expense in some percentage other than the Guidelines Income.)

The child support payment should include an adjustment for each parent's share of health insurance costs. All other health care payments are in addition to the basic child support award and should be promptly paid or reimbursed directly between the parents. **or**

All health care payments should be in addition to the basic child support award and should be promptly paid or reimbursed directly between the parents.

f. Tax Benefits & Exemptions.

Note: The parent not receiving the exemption(s) should sign the required Internal Revenue Service form(s) to release the claim to the exemption(s).

The state and federal income tax dependency exemptions for the child/ren should be assigned to _____ (mother or father) who has the greatest tax benefit calculated under the Idaho Child Support Guidelines (see tables in Section 8(c) of the Idaho Child Support Guidelines). The parent not receiving the exemption(s) should be awarded a pro rata share of the value of income tax benefit in proportion to his/her guidelines income which should be either a credit against or in addition to the basic child support obligation.

We agree to a different allocation of federal and state income tax dependency exemptions for our minor child/ren. A written document signed by both parents will be submitted to the court.
