Brent,

I just talked to the Mayor and we'd like to request another one month continuance. Please let me know if your P&Z Commission is agreeable to tabling this for a little longer, until June preferably.

Let me know if you'd like to discuss further.

Thank you,  
Caleb

Sure, the staff report is due in two weeks so I will need to know by the end of the day next Thursday. If the impact area boundary has changed we likely need to re-notice, which would push it to a following hearing.

I talked to the Mayor about it this morning. It looks like we may want to go forward on May 8<sup>th</sup>. Can you give me another week or so to confirm or request continuance again?

Thanks,

Caleb

Caleb,

I just wanted to check in with you to get an update on Project #201300140 CPA-ZOA. Does it look like it will need to be tabled out farther from the May 8<sup>th</sup> hearing?
