Future Land Use Map  
Adopted August 6, 2002  
Amended March 4, 2008

### NOTES:

In residential areas, other residential densities will be considered without requiring a Comprehensive Plan Amendment. However, the density can only be changed to "higher" (i.e. from medium to low to high, etc.) This exception does not apply to the area bounded by Can-Ada, Chickadee, Birchmont, and Upper Road.

The future roadway network, including segment alignments and details, is incorporated in the map by reference and is available in the Meridian Parkway Master Plan.

The information shown on this map is compiled from various sources and is subject to constant revision.
