**Second Half 2014 Property Tax Payments Due June 22<sup>nd</sup>**  
(The bill is in the mail.)

(Boise, ID) - The Ada County Treasurer's Office would like to remind property owners who elected to split their 2014 property tax payments, that the second half taxes are due **by 5:00 p.m. on Monday, June 22<sup>nd</sup>**.

NOTE: Anyone who refinanced within the last six months should review their loan documents to determine if property taxes were paid at closing, or if funds were sent to their lender for subsequent payment. Additionally, when refinancing, the original lender often refunds the amount that was being held in escrow, and a property owner may not realize those funds were set aside for property tax payment purposes.

There are several convenient methods for making property tax payments:

- **In Person** — Tax payments may be made in person, 8:00 a.m. to 5:00 p.m., Monday through Friday. These locations take only cash, check, money order, or cashier's checks.  
Ada County Courthouse, 200 W. Front Street, Boise
- **By Mail** — Payments may be mailed to: Ada County Treasurer, P.O. Box 2868, Boise, ID 83701
- **E-check at County Website** - [WWW.ADACOUNTY.ID.GOV/TREASURER](http://WWW.ADACOUNTY.ID.GOV/TREASURER), \$3 flat fee
- **Credit/Debit card or E-check Online or by Phone** — Visit [WWW.OFFICIALPAYMENTS.COM](http://WWW.OFFICIALPAYMENTS.COM) or call 1-800-2PAY-TAX (1-800-272-9829), Use Jurisdiction Code 2212 and your bill number found on your reminder notice. Fees vary by payment type and amount.  
For more information visit [WWW.ADACOUNTY.ID.GOV/TREASURER](http://WWW.ADACOUNTY.ID.GOV/TREASURER), select the 'Tax Collection' tab and then 'Choosing a Payment Option'.

To avoid potential last-minute problems when paying electronically, it is recommended that electronic payments be made no later than June 20<sup>th</sup> or well in advance of the due date. Mailed payments **MUST** be U.S. Post office postmarked by June 22<sup>nd</sup>, as payments postmarked after June 22<sup>nd</sup> are subject to a 2% late charge plus interest, which accrues at 1% per month beginning January 1, 2014. Pitney Bowes or digital stamps do not qualify as a postmark. To assure accurate processing of mailed payments, please request a hand cancellation at the Post office.

Most common issues that the Treasurer's office deals with each collection period are:

- Discrepancies between the numerical and written amounts on checks
- Property identification on the check for proper posting, especially when paying multiple properties

Please be aware that the original coupon from your reminder notice is helpful in proper posting of your tax payment, but it also delivers greater efficiency to the Treasurer's processes! Your help is appreciated.
