- Clarifications

Clarifications:

1. The ATSB product on the bid is sold in packages of 3x5 liters per case. The bid shows this product listed in gallons instead of liters.

Answer: Please bid in liters for the ATSB product.

2. The products, Fourstar SBG and Fourstar WSP are no longer in production.

Answer: No bids are necessary for these line items since they have been discontinued.

3. The products, Zenivex (2.5 gallon containers) and Zenivex (30 gallon drums), have no indication of which specific product on the bid sheet. The product comes in a Zenivex E4 (4% Etofenprox) and a Zenivex E20 (20% Etofenprox). Will you be using the same chemical or product as the last bid?

Answer: Zenivex E4 (4% Etofenprox) is the product to bid.
