### **Ada County Budget Presentation July 25<sup>th</sup>**

(Boise, ID) – Ada County Clerk Trent Tripple will present the proposed FY24 budget of \$374 million to the Board of Ada County Commissioners Tuesday, July 25<sup>th</sup> at 6 p.m. in the Public Hearing Room of the Ada County Courthouse. The public and media are invited to attend in person or watch via the [Ada County YouTube Channel](#).

Ada County has felt the impacts of continuous growth and inflation. Mountain states, including Idaho, have seen an inflation rate higher than the national average according to the U.S Bureau of Labor Statistics. Nearly every department in the county has experienced financial increases due to inflationary pressures for utilities, food, fuel and more.

The goal while crafting the budget was to improve county operations and provide an overall better service to citizens while keeping costs low amid inflation.

“All of the Ada County elected officials and department heads worked very hard this budget cycle to balance the needs of the county while being mindful of the pressures on local taxpayers,” Ada County Clerk Trent Tripple said. “I believe through the use of savings and keeping new positions within the county to a minimum, we were able to come up with the best budget for county offices with minimal impact on citizen’s pocketbooks.”
