Ada County Budget Presentation July 30

(Boise, ID) – Ada County Clerk Trent Tripple will present the proposed FY25 budget of $391 million to the Board of Ada County Commissioners Tuesday, July 30 at 6 p.m. in the Public Hearing Room of the Ada County Courthouse. The public and media are invited to attend in person or watch via the Ada County YouTube Channel.

Nearly every department in the county has experienced financial increases due to inflationary pressures. Through hard work and a detailed budget process, department heads, elected officials and the Ada County Commissioners worked to address stresses on county employees while satisfying the needs of Ada County citizens.

"All Ada County elected officials and department heads dedicated themselves to achieving a balanced budget this cycle, while addressing county needs and finding ways to better serve the public," Ada County Clerk Trent Tripple said. "By primarily utilizing savings, we successfully developed a budget that minimally affects taxpayer’s wallets while serving county offices effectively."
