Mechanical permits applied for after July 1, 2011, with fuel burning appliances or an attached garage for single family dwellings will require installation of carbon monoxide alarms as required by IRC Section 315.

INSTRUCTIONS: Complete all the information above and return to us at mechanical@adacounty.id.gov, in person, by mail or fax. Addresses must include city and zip code. Include a check or money order payable to Ada County for the fees with the application. The applicant will be notified of the permit number by fax or by phone. Please call 208-287-7900, if you have questions about the fees.

The original application and fee payment must be received in this office within five (5) business days of the notification. If the payment is not received in this office the work will be treated as work without a permit and an investigation fee will be added (equal to the original fee). IMC 106.5.1, IRC 108.6
