Online Voter Registration Deadline Friday

(Boise, ID) – Friday, October 13th is the deadline to register to vote ahead of the November 7th, Consolidated Election. Voters can register or update their registration online at www.VoteIdaho.gov or in person by visiting the Ada County Election’s office. After Friday, voters may only register to vote or update their voter registration at an early voting site or on Election Day at the time of voting.

The upcoming pre-registration deadline is particularly important for voters who choose to vote absentee. Absentee ballots can be requested through October 27th, but only if you have registered (or updated your registration) by October 13th. Voters can register online and request an absentee ballot at www.VoteIdaho.gov.

“Registering online at www.VoteIdaho.gov is easy, convenient and helps you save time at the polls on Election Day,” Ada County Clerk Trent Tripple said. “If you are already registered, I encouraged you to make sure your information is up to date and correct, so you can have a smooth voting experience.”

To find more information about the upcoming November election, visit www.adacountyelections.com or contact Ada County Elections at (208) 287-6860 or elections@adaounty.id.gov.
