Online Voter Registration Deadline Friday

(Boise, ID) – This Friday, April 26, is the deadline to register to vote ahead of the May 21, 2024, Primary Election. Voters can register or update their registration online at www.voteidaho.gov or in person by visiting the Ada County Election’s office. After Friday, voters may only register to vote or update their voter registration at an early voting site or on Election Day at the time of voting.

The upcoming pre-registration deadline is particularly important for voters who choose to vote absentee. Absentee ballots can be requested through May 10, but only if you have registered (or updated your registration) by April 26. Voters can register online and request an absentee ballot at www.voteidaho.gov.

“Registering to vote online is simple and can save you time at the polls during Election Day,” Ada County Clerk Trent Tripple said. “For those already registered, I urge you to verify and update your details to ensure a seamless voting process.”

To find more information about the upcoming May election, visit adacounty.id.gov/elections/ or contact Ada County Elections at (208) 287-6860 or elections@adaounty.id.gov.
