

## Sarah Schafer Bio

Sarah Schafer has over 15 years of experience in architecture and planning. Currently she is the Manager of Design Review and Historic Preservation for the City of Boise. She is certified for both residential and commercial energy code plan review and inspection. Prior to working for the City, Sarah received her Master's Degree in Architecture from the University of Nebraska-Lincoln. While there she worked for the University's Architectural and Engineering Services drawing plans for single room remodels and overseeing full building upgrades and construction for historic buildings and additions on campus. Sarah has also worked in the private sector with CSHQA here in Boise.
