

PROJECT PROFILE

EXPO Idaho Roof Replacement

This is an ARPA designated project.

Project to reroof the Expo Idaho Building and Turf Club located at the Western Idaho Fairgrounds. The Expo Idaho Building roof consists of three sections and is approximately 87,611 square feet. The Turf Club consists of two sections, the main upper section that is approximately 6,020 square feet and a lower shout-out that is approximately 1,248 square feet. The re-roof projects will include the design and materials selection for removal of the existing roofing material and the installation of new roofing materials, including but not limited to, new roofing membrane, new roofing materials, insulation, HVAC curbing and any apparent damaged roof material or structural elements determined during the evaluation and design process. This project is being funded, in whole or in in part, by monies made available to the County under the American Rescue Plan Act (ARPA) through federal award number SLFRP3408 awarded to Ada County, Idaho by the U.S. Department of the Treasury.
