Sexual Assault

*FACES offers a safe and private setting
where specially trained SAFE nurses
provide:*

- Physical assessment and documentation for victims of sexual assault
- Evidence collection
- STD Prevention
- Advocacy and support
- Coordinated visit with healthcare, law enforcement and victim witness coordinators
- Telemedicine link to Saint Alphonus Medical Center for physician consultations

Child Abuse

CARES Program (577-4460)

St. Luke's Children's Hospital's Children at Risk Evaluation Service (CARES) is located at FACES.

CARES provides medical exams, child interviews with specially trained staff, psycho-social testing and assistance with Crime Victims Compensation applications.

CARES maintains a professional staff of physicians, nurse practitioners, nursing and social work staff who all work together to provide the highest quality of care to children.

Referrals to CARES can only be made by child protective services, law enforcement agencies, prosecutors and courts.

Child Protective Services (334-6800)

Region IV Health and Welfare has a seven member child protection team based at FACES working closely with law enforcement and CARES to investigate and respond to allegations of child abuse and neglect.
