

### Project Profile

## Ada County Coroner Office Facility

Construction of a new Ada County Coroner’s Office facility at 95 N. Touchmark Way, Meridian, Idaho 83642. The current facility lacks adequate space (for labs, storage, meetings, parking, loading/unloading, etc.) and is disjointed. Additionally, the current facility is without adequate electrical, air flow, and security systems.

The new facility will consist of a two-story, approximately 40,000 square foot Coroner’s Office building with a public lobby, office space for each of the three divisions of the Coroner’s Office, record storage, ample temperature-controlled body and tissue storage, autopsy facilities, observation space, an enclosed sally port, general public and secured staff parking, and landscaping.
